HERMA 100

Fast and easy hand labelling

By using the HERMA 100 even hand labelling can become an efficient, fast and easy operation.
The HERMA 100 is an electrically driven unit that automatically dispenses labels on demand.
The waste backing paper is rewound for safety and ease of disposal.
Reliability, ease of use and a small footprint are the main features of the HERMA 100.

The HERMA dispenser is available for reel widths of up to 80 mm or 160 mm.

Advantages of the HERMA 100 dispensers:

> HERMA dispensers are high-quality products with a one-year warranty. The HERMA 100
dispensers are **CE** compliant.

> If your dispenser should break down we will repair it within 24 hours or furnish a free
replacement during the warranty period.

> HERMA offers the quality and dependability of an internationally known manufacturer of
labelling machines. These advantages are also yours when buying a manual label dispenser.

HERMA 100

HERMA 100 dispenser for reel widths of up to 160 mm

Self-adhesive labels

Are practical, useful and particularly convenient. Whether for decoration or conveying important information – they are applied efficiently and accurately with the HERMA 100 label dispenser.
HERMA dispensers are easy to use, extremely robust and very economical.

Reel holder for large rolls

This enables the HERMA 100 to use labels reels with diameters of up to 250 mm. The manual dispenser is simply placed upon the base plate of the reel holder and fixed by means of pins.
